### Reasons and Expected Roles for Nomination as Candidate for Outside Director

Since assuming the Outside Director position of the Company in June 2020, Hiroshi Moriya has provided oversight of the Company's management from an independent and neutral position. In addition, he has engaged in the automotive industry for many years, and has provided valuable advice to the Company's management based on his abundant experience and broad expertise as a manager of global companies. Therefore, we have determined that Hiroshi Moriya is a suitable candidate for the position of Outside Director due to the expectation of the above roles.

He has also served as a member of the nominating committee and the compensation committee which have been voluntarily established to increase the transparency and objectivity of the decision-making process related to appointment and compensation of Directors, etc.

- Notes:
1. Masashi Oshita and Hiroshi Moriya are candidates for Outside Directors. The Company considers Masashi Oshita and Hiroshi Moriya to be highly independent with no possibility of conflicts of interest with general shareholders. Accordingly, we have designated them as an independent director as prescribed by the Tokyo Stock Exchange and notified the Tokyo Stock Exchange to that effect.
  2. There are no special interests between each Outside Director candidate and the Company.
    - (1) Special interest between Outside Director candidate Masashi Oshita and the Company
      - He serves as Vice Chairman and Executive Managing Director of Japan Auto Parts Industries Association, with which the Company has a transactional relationship of paying membership fees. However, we have determined that it has no impact on his independence because the percentages of the transaction amount to the Company's net sales and the Association's ordinary income in the most recent business year are respectively less than 0.1%.
      - He serves as Director of the Japan Automobile Research Institute, with which the Company has a transactional relationship in the certification business. However, we have determined that it has no impact on his independence because the percentages of the transaction amount to the Company's net sales and the Institute's ordinary income in the most recent business year are respectively less than 0.1%.
    - (2) Special interest between Outside Director candidate Hiroshi Moriya and the Company
      - He serves as Chairman of Marelli Corporation, with which the Company has a transactional relationship involving automotive parts. However, we have determined that it has no impact on his independence because the percentages of the transaction amount to the Company's net sales and Marelli's sales in the most recent business year are respectively less than 0.1%.
      - There are no special interests between SNT CORPORATION and the Company.
  3. The Company signed a contract with Outside Directors Masashi Oshita and Hiroshi Moriya for limited liability with the minimum liability limit as stipulated in Article 425, Paragraph 1 of the Companies Act based on the Articles of Incorporation regarding the liability for damages stipulated in Article 423, Paragraph 1 of the Companies Act. If appointment of Masashi Oshita and Hiroshi Moriya is approved, the Company plans to continue the said contract with them for limited liability.
  4. Yorozu has entered into a liability insurance contract for directors and corporate auditors as stipulated in Article 430-3, Paragraph 1 of the Companies Act with an insurance company. Under the insurance contract, compensation is to be paid for damages that may arise from the insured officers, etc. assuming responsibility for the execution of their duties or receiving claims related to the pursuit of such responsibility. If the election of each candidate is approved, the Company plans to continue the relevant insurance contract with all the candidates as the insured.
  5. Overview of Opinions of the Audit & Supervisory Committee on Election of Directors (excluding those who are members of the Audit & Supervisory Committee)

The Audit & Supervisory Committee has examined the election of Directors (excluding those who are members of the Audit & Supervisory Committee) based on discussions at the nominating committee from perspectives such as the qualifications of each candidate, effectiveness of the Board of Directors as a whole and enhancement of corporate value.

As a result, the Audit & Supervisory Committee has determined that it is appropriate to elect the candidates for Directors. This is because, for inside Director candidates of both reappointment and new appointment, they have deep expertise and abundant experience, are qualified as Directors, and are expected to establish a structure that contributes to medium- to long-term enhancement of business performance; and, for the Outside Director candidates, their independence is ensured and, their international experience, extensive knowledge in industrial policies or abundant management experience in the automotive industry has contributed to deepening discussions of the Board of Directors.

**Agenda Item No. 3:** Election of one (1) Director who is a substitute member of the Audit and Supervisory Committee

One (1) substitute Director who is a member of the Audit & Supervisory Committee is to be appointed in case the number of Directors who are members of the Audit & Supervisory Committee falls below the number stipulated in the law.

The consent of the Audit & Supervisory Committee to this Agenda Item has been obtained in advance. Below is the candidate.

### Reasons and Expected Roles for Nomination as Candidate for Outside Director who is a substitute member of the Audit & Supervisory Committee

While he has never been directly involved in corporate management other than being Outside Auditor, we expect him to appropriately fulfill his responsibilities as Outside Director who is a member of the Audit & Supervisory Committee due to the reasons stated above.
