Yorozu Receives Honda 2025 Excellence Appreciation Award (Sustainability Category)

We are pleased to announce that Honda Motor Co., Ltd. (headquartered in Tokyo, with Toshihiro Mibe as President and CEO) has honored us with the “Excellence Appreciation Award (Sustainability Category).”

The “Excellence Appreciation Award (Sustainability Category)” was given in recognition of suppliers’ exceptional performance in E (Environmental), S (Social), and G (Governance) aspects. Our achievements in reducing CO2 emissions have been especially highly evaluated this time, stemming primarily from our 100% carbon-neutral operations and the internal carbon pricing system at our new factory in Gifu prefecture (Yorozu Sustainable Manufacturing Center, Inc.). This is the first award of its kind we have received as Yorozu Corporation.

We remain committed to implementing ESG management measures, thereby enhancing our corporate value and becoming the first-choice company for all stakeholders.
