Yorozu Awarded Medal with Dark Blue Ribbon for Donation to GREENxEXPO 2027

Yorozu has made a donation to the International Horticultural Expo 2027, known as “GREENxEXPO 2027,” through Yorozu Oita Corporation (current Yorozu Oita Manufacturing Center) as part of its social contribution activities under the Corporate Philosophy. The expo will take place next year at the former site of Kamiseya Communication Facility in the northwestern area of Yokohama City, and we are committed to supporting its success.

In recognition of this contribution, Yorozu was awarded the Medal with Dark Blue Ribbon by the Zero Carbon and GREENxEXPO Promotion Bureau, and the medal certificate was presented by Director General Orii at Yokohama City Hall.

Going forward, Yorozu Group will continue to actively engage in business activities that contribute to society.
